Mama Said

- ☠ Tap water is drinkable, but if you just arrived in the country you are better off with filtered water.
- ☠ Before going on long hikes, inform someone about your hiking route and expected return. Bring clothes for all kind of weather conditions, from 30-degrees heat to hail and snow; it can happen all in 1 day.
- ☠ Don't destroy nature, always walk on the indicated paths. Take your trash home. Don't make a fire in the woods or throw cigarettes on the ground (it's really dry here).
- ☠ Is it really necessary to kill, hurt or use animals (fish/horses)? If you love nature, and you do because you're here, act upon it.
