Mama Said

- Tap water is drinkable, but if you just arrived in the country you are better off with filtered water.
- Before going on long hikes, inform someone about your hiking route and expected return.
- Don't destroy nature, always walk on the indicated paths. Take your trash home. Don't pollute the river or make a fire in the woods.
- There are some ATMs and money exchange offices here. If you plan on going to the beach towns afterwards get enough cash here, because most beach towns don't have ATMs or banks.
